Dear Friends,

In this election year there are many voices and opinions and we think a personal response is needed. Janet Parshall and Don Wildmon with American Family Association have created a DVD series which will also help you understand the urgency and need for prayer. (www.silencingChristians.com) *

- Please pray for people with character, courage, conviction, common sense and God-honoring discernment to serve in all three branches of our government. (Intercessors for America www.ifapray.org) *
- Please pray for people to accept the reality of Life at Conception and to end all abortion, especially partial birth abortion which is brutal infanticide. We believe that God is in control of our lives, even in the most tragic situations. Psalm 127:3 (Arizona Right to Life www.arizonarighttolife.org National Right to Life www.nrlc.org) *
- Please pray that the Jewish people would be loved and respected as God's Chosen People world-wide and for Israel as their secure homeland. (Intercessors for Israel www.ifij.org) *
- Please pray for marriage to be defined and lived as God's Word describes it. "For this reason a man will leave his father and mother and be united to his wife, and they will become one flesh...be fruitful and increase in number." Genesis 2:24, 9:7 NIV "Marriage is a sacrament designed by God that serves as a metaphor for the relationship between Christ and His church." Dr James Dobson (www.focusonthefamily.com) *
- Please pray for a return to the Biblical world view in our country, schools, news media and work places. (Answers in Genesis www.answersingenesis.org Alliance Defense Fund www.telladf.org) *
- Please pray for the Truth Project. Dr Del Tackett and the Truth Project Team want to see, "Christians solid in their faith, righteous in their actions, the salt and light in a culture that desperately needs us...transformed by His truth." (Truth Project produced by Focus on the Family www.truthproject.org) *
- Please pray that all eligible Americans in the Body of Christ would vote! (www.register-vote.com) *

Yes, an awakening within our nation that would turn God's judgment from us is so needed. Scripture tell us that God does bring judgment when people do the wrong things: 1Chron 13:10 Uzzah and moving the Ark of the Covenant also in 2 Sam 24:10-16 God's response to David taking a census of the people. Books have been written correlating actions which are contrary to God's Word with the recent storms, floods, hurricanes, earthquakes, the Tsunami and the fires. God told His people to choose life, but by legalizing abortion and homosexuality we are choosing death. (John McTernan / Bill Koenig www.amazon.com and Mother Basilea's book / DVD "Nature Out of Control?")

A new hunger for the Word of God throughout America is needed, and the responsibility lies with each of us to make a difference. Not to complain or set an emotional stage, which may lead to even more disasters, but to seek the ways of God, asking "Where do I live contrary to the Word of God? Where do I fail to love Him or have a divided heart? Do I have unconfessed sin in my life?" Our lives must proclaim our love for Jesus. We must live in obedience and a right relationship with the Father, Son and Holy Spirit. Then we believe the Lord will move sovereignly in America.

I know that I am a wretched sinner and continually need to ask for forgiveness. So I have no intention of judging or condemning the sins of others. But we all need only to speak up and testify to the power of Jesus over our own sin sicknesses in order to proclaim the Truth of the Word of God. Otherwise our silence may be seen as agreement with the enemies of God and thus join them in their blasphemy. (2 Sam 12:14, Is 52:5, Ezek 36:20, Rom 2:23-24)

Surely God's Word has clearly spoken regarding Godly leaders, choosing life, praying for Israel, the peace of Jerusalem and protecting marriage and the family. (Ephesians 5:8-14)

We are praying for our nation, our government leaders; asking God to raise up men and women who will not deny that this country was founded on Biblical principles. (google George Washington's Prayer Journal or log on to www.davidbarton.org for documentation)

We can also say that for those who love the Lord Jesus, there is always good news and the good news is that there are literally hundreds of thousands of young people who have dedicated themselves to pray for our nation. www.TheCall.com A gathering will occur August 16th in Washington DC. May the Lord hear their prayers and ours. May He delight in the personal repentance that leads us to worship and thanksgiving for His faithfulness to us. (2 Cor 6:11-7:1, James 3:13-18)

Prayerfully with all my Sisters, Sister Georjean
